23rd January 2021

Dear Resident, Owner or Occupier

Government preparations for the end of the transition period with the EU

I wrote to you previously on 13th January 2021 setting out the Government's intention to apply for planning permission under a Special Development Order to construct an Inland Border Facility at Dover Whitecliffs.

Thank you to all who have taken the time to provide feedback to date. I would like to act on some of the feedback I have received so far. I am writing to you to inform you that the Department has further information regarding the proposal, which we would like to share with you via the web portal and in hard copy.

This additional information has been uploaded on the Inland Border Facilities website under the following sections:

- 1) In a green box called 'Additional Information Booklet'.
- 2) Under the 'Background' section as a downloadable PDF version.

To ensure that you have sufficient time to comment on this additional information, I will be extending the engagement deadline, until February 10th 2021.

I would like to reassure those of you who have commented already that your views have been considered, and please do comment again if you would like to do so.

May I take this opportunity to thank those who have commented, and we look forward to hearing your views.

**RACHEL MACLEAN MP
PARLIAMENTARY UNDER SECRETARY OF STATE FOR
TRANSPORT**
